I have worked for this company for ten years, but I haven't always worked in the same department. I have worked in sales, marketing and accounts, so I have gained a lot of experience. In fact, I have just been promoted to Assistant Manager. I now report directly to Mr. Grey, the Managing Director.

Our new head office is in London. We have been here for one year. Before that, we were based in a small town. We also have a new fleet of cars. We have had these Renaults for five months.

Our main clients are the Ritz and Murdoch business groups they have been our clients for a long time. Over the years we have worked hard to satisfy our clients, although we haven't always succeeded!

We have made many changes in the company in order to remain competitive. Some people have had difficulties adjusting to the new procedures because they haven't had enough training. Business had been a little slow recently due to the recession, but we managed to achieve our objectives last year. Hopefully, we will gain this year.
